

## *Lodge Leadership Development Course*

### **Hard Hat Weekend**

### **with Elangomat and Summer Camp Training**

**May 11-12, 5:00 PM Friday - 4:00 PM Saturday**

**Who?** All Order of the Arrow members!

**What?** Training to help you, Nanuk Lodge members, to become more proficient in the leadership roles and duties for which you have volunteered!

- *Become one of the few trained Elangomats in your chapter. This will help make our ordeals more meaningful and exciting - an event to be remembered!*
- *Become an informed Arrowman! Learn how you can make an impact while at camp!*
- *Also learn about all the events you can attend within your lodge, section, and at national!*

**When?** Friday, 11 May, 5:00 PM to Saturday, 12 May, 4:00 PM

**Where?** Camp Gorsuch Dining Hall

**Why?** Because, as the "Honor Society of Scouting", it is our personal duty to function at a very high level of competence. This training will help increase our communication skills and our knowledge of the Ordeal procedures. In addition, we will learn what OA Elangomats are really responsible for.

**Price?** Not for this! When you're better at your job, the lodge is better at providing service to the scouts in our counsel. And that is why we're here...

### **What else should I know?**
